

Vision

Toys“R”Us offers vision coverage to help you save money on eye exams and eyewear. Vision coverage is provided by VSP (Vision Service Plan). You make a separate election if you want to participate in vision coverage. You have the option of enrolling in the Base Plan or the Buy-Up Plan.

VSP has an extensive network of optometrists and ophthalmologists, conveniently located in medical offices and shopping centers close to your home and work. In-network benefits are generally higher than out-of-network benefits. VSP discounts are available at more than 1,000 retail chain optical stores, including Costco Optical.

Vision Options

You have the option of enrolling in two vision plans – the Base Plan and the Buy-Up Plan. The plans feature the same copays and out-of-network allowances. However, they differ in the amount of in-network allowances, as shown in the chart below, as well as your cost for coverage. Features of the plan include:

	BASE PLAN	BUY-UP PLAN
Your Copay:		
Comprehensive Exam	\$10	\$10
Materials Copay	\$20	\$20
Contact Fitting/Evaluation	Up to \$60	Up to \$60
In-Network Allowances (Plan pays up to):		
Retail Frame Value	\$150	\$200
Elective Contact Lenses	\$150	\$170
