I may need to take a Leave of Absence. What is the first step?

Discuss the leave with your manager, explaining the type of leave you may need to take and the timing. Give as much notice as possible, and follow the procedures outlined in the [leave policies \(/time-away-other-benefits/time-away/leave-of-absence/\)](/time-away-other-benefits/time-away/leave-of-absence/) for filing any necessary paperwork, checking in while on leave and reporting back to work
